HHS Confirms Initial Validation Audits Will Be Delayed

Cognisight was a participant in REGTAP's User Group today. The question was raised whether Initial Validation Audits (IVAs) were going to start later in 2015 than originally planned. HHS confirmed that there will indeed be a delay, tentatively into the fall of 2015. No other details were provided.

No additional information regarding the March 31, 2015 deadline for identifying an IVA vendor was provided either.

Cognisight continues to encourage Issuers to make their IVA vendor selection before the March 31, 2015 despite this latest delay.
